

January 2025

Dear Parent/Carer

Ofsted Visit

I want to say a very big thank you for all the support, prayers, and good wishes that you shared with us at SMRT during the two-day visit from Ofsted (28 and 29 January). It was enormously helpful to know that we had your support, and how much you appreciate the work we do to support our students to achieve their very best.

I am extremely proud of the way that our students, and staff, rose to the occasion and were able to demonstrate all that we do here. We will continue to strive to provide the absolute best provision for our families and the community going forwards. Our goal remains to ensure that all our students develop the skills, knowledge, and Alive qualities so that they can make their unique contribution to the world.

The inspection team were able to share with us the response to the Parent View survey: Over 90% of parents said they would recommend the school, which is significantly higher than the average. We are grateful to those of you who were able to share your views with the inspection team and we are committed to continuous improvement.

I will share the outcome as soon as the report has been through the Ofsted quality assurance process.

Yours faithfully

Del Planter
Headteacher
