edulink one | St Mary Redcliffe and Temple School

## A Parents'/Carers' Guide to Getting Started with "Edulink One"

There are two ways to use Edulink One: through a web browser like Google Chrome or through an app you can download to use on your mobile device. The Edulink One app is available for iOS and Android devices.

Web Browser Instructions

SMRT have their own individual login link when using a browser to log in.

Go to https://www.edulinkone.com/#!/login?id=smrts

(By the way, you can find this link on the home page of the school website).

After clicking the link this will take you straight to the Edulink One login page for SMRT.

Here you will just need to enter your **username** and **password** to login. This will have been sent you by us.
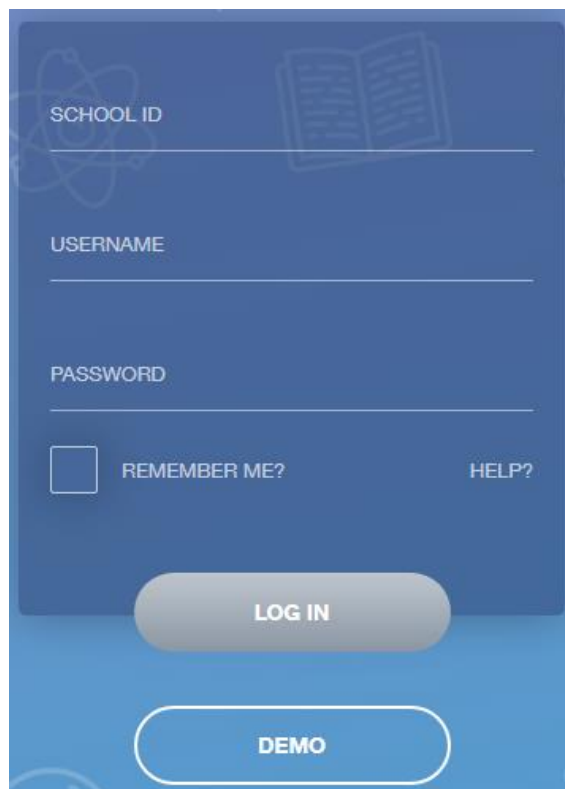

If you forget your username please contact the school. If you forget your password please click 'Reset Login' and follow the instructions given.

If you don't use the school's direct link above as, just visit https://www.edulinkone.com/ then you will see the screen to the right, which requests your school ID as well as your username and password.

The **SCHOOL ID** is **smrts**

Then type in your **username** and **password** which will have been sent out to you by us.

Once you have filled in all three boxes with your login details, click **LOG IN** to get started.

Downloading and Using the App

The Edulink One app is available for iOS and Android devices. You can download from these links or search in the App or Play stores.

Apple App Store

https://itunes.apple.com/gb/app/edulink-one/id1188809029?mt=8&ign-mpt=uo%3D4

Android Google Play

https://play.google.com/store/apps/details?id=com.overnetdata.edulinkone&hl=en

If you are using the mobile app you will see the screen to the left.

The **SCHOOL ID** is smrts

Followed by your **USERNAME** & **PASSWORD** which will have been sent out to you by us.

Once you have filled in all three boxes with your login details, click **LOG IN** to get started.

If you forget your username please contact the school. If you forget your password please click 'Reset Login' and follow the instructions given.
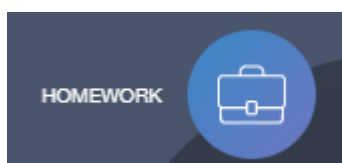

Main Screen

Once logged in you will see the main screen in Edulink One, where you will be able to navigate through the different sections of Edulink One to view a selection of information about your child/children.

Please see an example of the main screen. The various options may vary between schools.

If you have more than one student in school, it's easy to switch between each one. Just select which would like to view in the top right-hand corner.

Homework

SMRT launched Homework through Edulink at the start of this academic year. It acts as a digital version of the student's planner telling them what homework has been set and when it is due. This means that students only need to look in one place to know exactly what they need to do and when they need to do it!
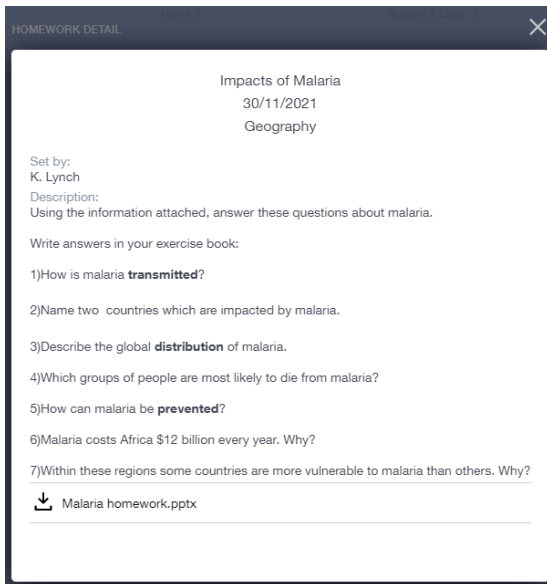

All students have been shown how to use the system in their IT or Maths lessons and in tutor time. Teaching staff, support staff and LSAs have also been shown how to use the system so they can help any students who need it.

As Parents and Carers you see pretty much the same Homework information as the students.

You will see the Homework summary screen which lists all the homework that has been set and the due date for each homework.

Due Date ⇕	Name ⇕	Subject & Class ⇕	Available ⇕	Received
In 2 days 26/11/2021	Hegarty - 166	Maths	22/11/2021 00:00 2 days ago	
In 6 days 30/11/2021	Impacts of Malaria	Geography	24/11/2021 00:00 today	
In 9 days 03/12/2021	Finish book presentation	English	24/11/2021 00:00 today	
In 12 days 06/12/2021	Artist Research 3	Art	22/11/2021 19:55 2 days ago	

To find out the details of each homework you can click on any of them to open up the instructions and information given by the teacher.
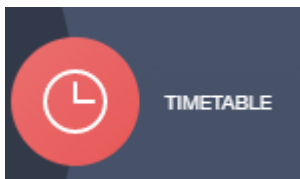

Once a piece of homework has passed its due date it moves from the 'Current' tab of the summary screen to the 'Past' tab and can be viewed there.

A video tutorial for students on homework in Edulink was produced and can be viewed here:

Timetable

Your child's school timetable can be viewed here.

Links

Useful links to websites are available from here.

This is just the beginning of our use of Edulink. We will be introducing more options and more information through the system over time and will communicate those fully to you.
